**Re: Meet the Tutor Team**

Dear parents/carers and future Rushcliffe student

I hope this letter finds you safe and well, and that you have been enjoying the recent sunshine. I wanted to take this opportunity to provide you with an update on the work we have been doing, and continue to do.

This week I have been reading your 'All about me' letters and I am really excited to welcome you all to Rushcliffe on the induction day. I was overwhelmed by the amount of time and effort many of you must have put into those. As a keen sportsperson I especially enjoyed reading all about how active each of you are and the sports you enjoy to play. Further to this, I am extremely envious of those students who can or are learning to play musical instruments. Likewise, I hope you have had the chance to read Mrs Richardson's letter and hopefully feel like you know your Head of Year a little better now. Lastly, it's been a pleasure to read about all the things you are most looking forward to when you arrive, alongside all your summer plans, and I look forward to welcoming you to our community in September.

As I mentioned in my last communication with you, we are working hard behind the scenes to ensure your transition is as smooth as possible. Over the past month Mrs Richardson and I have had the absolute pleasure of meeting you all, either in your Primary Schools or at Rushcliffe and we thank you for making us feel so welcome. Alongside the presentations we delivered and questions we answered, we also met with your teachers to learn more about each and everyone of you. This information includes your aptitude for learning, your strengths, areas for development, pupils whom you work well with and any other relevant information that might help us and you during this transition. This has certainly proven very powerful and we all feel this will ensure a comprehensive handover from your primary schools. I certainly feel that with the combination of our communication with your teachers and your letters that I already know many of you and I'm confident that your tutors will feel the same when they receive the information from me. I am also using the information to create your tutor groups. I have attached to this letter the 'Meet the tutor team' booklet. This is a great opportunity for you to get to know some of the tutors and key people in the Year 7 team. One of whom will be your tutor, and you will find out who very soon.

Yours faithfully

Lyndon Crawley  
Assistant Principal

---

### Summary

- We continue to communicate with primary schools – Visits have gone well and all complete now
- Attached is the 'meet the tutor team' booklet. This is all the information about our year 7 tutor team. In the coming weeks the students will find out who.

### Actions needed by parents/future students:

- Read the 'meet the tutor' information.
- Speak to the children about the visits from Rushcliffe
