

Preparing for Year 12 **Spanish**

We want you to begin your Year 12 Studies feeling prepared and confident. Therefore, you will be tasked with completing a range of Summer Work for the subjects you plan to continue studying. If you are unsure which subjects you might want to study, you should complete work for the subjects you are considering. This will help give you a “taster” of the subject, in place of the taster lessons you would normally be receiving face-to-face. **You should expect to spend a minimum of 15 hours on each subject.** All work should be submitted to your teacher in September, however not all will require feedback.

Revision of key knowledge and skills

This will ensure you do not forget some of the skills and knowledge developed during your GCSE studies

Complete the Summer transition grammar book: 'Summer homework for Y12 students'

Use Languagesonline.org.uk to reinforce and practice key areas

Key Skills Development

This will focus on ensuring you are continuing to develop the skills needed, particularly during this longer break from school

Revise **one GCSE sub-theme set**(there are nine) of speaking questions for 1 hour, then write 150-200 words **from memory** to answer the prompt question below

Use information from **all of your answers in the sub-theme** to answer the prompt question with as much detail and variation of language as possible
