

Equality Objectives 2022-26

These objectives should be reviewed alongside the Spencer Academies Trust Equality Objectives and our school Equality Statement.

We have set ourselves the following equality objectives:

- Promote cultural understanding, awareness and respect of different religious beliefs between different ethnic groups within our school community.
- Actively close gaps in attainment and achievement between pupils and all groups of pupils.
- Continue to improve accessibility across the school for pupils, staff and visitors with disabilities, including access to specialist teaching areas.
- Educate pupils on all forms of prejudiced language and behaviour such that incidences are reduced in the school.
- Ensure that high quality personal development provision is in place which enhances the curriculum and enriches pupils' wider understanding of equality, diversity and inclusion.
