**Re: Information for Parents and Carers**

Dear Parent/Carer

I hope this letter finds you safe and well, and that you have been enjoying the recent sunshine.

Please find attached to this letter the 'Information for Parents and carers' booklet. This is designed to provide you with as much information as possible about life at Rushcliffe, and covers everything from uniform expectations to information about our curriculum. To support this, next week, we will be sharing with you an information video and virtual tour of the school alongside a frequently asked questions sheet. We hope that together they will provide you with an in depth understanding of how the school functions.

If you are a parent/carer of a child with any specific medical plans or medication that we need to be immediately aware of from September, please refer to page 7 in the booklet and contact Nicola Roberts (School Nurse). For more generic medical needs, for example Hay Fever or mild Asthma etc we will send out an online form before the end of the year to complete.

I am sure that many of you will have questions and I hope that after reading the booklet, watching the video and referring to the FAQ's sheet many of them will be answered. However, if they are not then please be assured that on our Year 6 Induction Evening, there will be an opportunity to do so. More details on the Student Induction day and Parents Induction Evening will be shared soon. The date for the Induction Day is 6<sup>th</sup> July for St Peter's pupils and 13<sup>th</sup> July for all other pupils. The Induction Evening, which is for parents only will take place on 13<sup>th</sup> July for all students.

I have also attached for you details of our uniform shops as provided by them. Some of you will be aware that the school badge and name were changed from September 2021. However, if students have uniform passed down from siblings or friends with the old logo/badge that is still permitted to be worn. Linked to this I am pleased to inform you that on the 13<sup>th</sup> July, we will be holding a second-hand uniform sale at the school. The details of this will be included with the induction day information.

Lastly, I am delighted to announce that on Tuesday 18<sup>th</sup> July Rushcliffe will be hosting a Science show live, performed by the Royal Institution. The show is free of charge to pupils and parents from feeder schools and all details on how to book are attached to this letter on the flyer.

Yours faithfully

Lyndon Crawley  
Assistant Principal

---

**Summary**

- Information for parents and carers booklet is attached.
- Please refer to the 'First Aid and Medical information' in that booklet if your child has any specific medical plans or medication that we need to be immediately aware of from September. For more generic medical needs, we will send out an online form before the end of the year to complete.
- Information video, virtual tour of the school and FAQ sheet will be available to view next week
- Wednesday 13<sup>th</sup> July 2022 is the Induction Day for students (Non-St Peters and 6<sup>th</sup> July for St Peters). Exact details will be shared soon, but as a summary, all future year 7 students will attend together for the day without their primary school teachers. They will have an assembly, spend a few hours with the tutor and then participate in three one-hour lessons from a variety of subjects. Exact timings and details will be shared next week (St Peters will have a slightly adapted day and will be collected and returned to and from St Peters by a bus but a very similar experience)

- Uniform suppliers' information is also attached and the uniform requirements are located in the back of the information for parents and carers booklet.

**Actions needed by parents/future pupils:**

- Read information for parents' and carers booklet
- Contact the school nurse for severe medical needs or if your child takes regular medication that we need to store in school
- Note the date of your Childs induction day
- 13<sup>th</sup> July as Induction day is the induction evening for parents
